

## PRESS RELEASE

### **Ryan Celebrates 25 years member in American College of healthcare Executives**

**San Francisco, CA – April 2, 2007** – Michael G. Ryan, FACHE was recently recognized by the American College of Healthcare Executive's Chairman William C. Schoenhard, FACHE for his quarter of a century membership in the American College of Healthcare Executives (ACHE). He became a member and ultimately a Fellow in the ACHE in 1982 while attending graduate school at The George Washington University [www.gwu.edu](http://www.gwu.edu) in Washington, DC. "My association with the college has been rewarding dating back to when I began my professional healthcare career 25 years ago. During the course of time, I have been fortunate to serve in several leadership roles at all levels and continue my active involvement today. I enjoy mentoring new ACHE members and giving back to the profession."

Mr. Ryan joined ACHE in 1982 and has served in a leadership capacity at the local, regional, state and national levels. He is the former Regent for Louisiana, National Council of Regents, served on the national CEO Committee, and is a founding board member of [ache.org](http://ache.org), the association's website. In addition, he has served as an oral examiner, mentor, Newsletter of the year award recipient and is certified in healthcare management and a Fellow in the College.

#### **About American College of Healthcare Executives**

The American College of Healthcare Executives is an international professional society of 30,000 healthcare executives who lead our nation's hospitals, healthcare systems, and other healthcare organizations. ACHE is also known for its journal, the *Journal of Healthcare Management*, and magazine, *Healthcare Executive*, as well as groundbreaking research and career development and public policy programs.
